

Time For Review!

Name: _____

Complete the chart for the shapes below.

Shape	Name	Number of Sides	Number of Vertices
			
			
			
			
			
			
			

Draw and name all of the 2D shapes that are **quadrilaterals**.

HINT: There are 5 of them!

Circle the letters that show symmetry. Check using a Mira if you like.
For BONUS draw the lines of symmetry on the letters with a ruler.

M

D

J

Draw the lines of symmetry with a ruler on the shapes below.
